

NORTHWEST EMC, INC.

22975 NW Evergreen Parkway, Suite 400
Hillsboro, OR 97124

February 8, 2006

Dear Application Examiner:

On behalf of GE Security Inc., Northwest EMC Inc is submitting this application for the certification of the Fixed Reader transmitter, FCC ID: TCZ-20101-2. It operates in the 2400-2483.5 MHz band at a single fixed frequency. It is a digital transmission system radio that operates with only one data rate and one modulation type. The radio will be mounted on a pole with a high gain antenna. It receives power from a power over ethernet connection, and thus is indirectly connected to the AC mains. The EUT is a mobile or fixed device.

The technical reports and exhibits demonstrate compliance with FCC rules 47 CFR 15.247 as a DTS transmitter.

Your efforts in reviewing this application are greatly appreciated.

Best regards,

Northwest EMC, Inc.
