Modulation Method	GFSK, 1Mbps, 0.5BT Gaussian
Maximum Data Rate	Asynchronous : 2178.1 kbps / 177.1 kbps Synchronous : 1306.9 kbps / 1306.9 kbps
Bluetooth Class	Class 2
Hopping	1600 hops/sec, 1MHz Channel Space
Transmit Power	0 dBm

Coverage Range	10 Meters
Receiver Sensitivity	-82 dBm / 0.1 % BER
Continuous Talk Time	4 Hours
Music Time	4 Hours
Standby Time	170 Hours
Weight	10 g
Dimension	18.1(H) x 51.3(L) x 9.5(H) mm
Charging Voltage	DC 5.0 ~ 5.3 V
Charging Time	2 Hours
Operating Temperature	-10° to +50°C
Storage Temperature	-20° to +80°C
Battery	Lithium Polymer 3.7V 90mAh

SAFETY AND GENERAL INFORMATION

1. Please read this guidebook carefully and follow the instruction.
2. To avoid any damage or malfunction of the unit, do not drop it from high place.
3. Keep away unit from humidity, water and any other liquid. And if the unit is exposed by water, moisture and other liquid directly, then do not operate it normally to avoid any electrical shock, explosion and damage of the unit.
4. Do not place or keep the unit near the heat sources such as direct sun light, radiators, stoves or other apparatus which produce heat. It may cause explosion, degrade of performance and reduce battery life.
5. Do not modify, repair & disassemble unit at discretion. [especially battery: it may cause an explosion]
6. Do not place the heavy objects on the unit.
7. Use only supplied and approved charger.
8. Replacement or service must be done at a qualified service center or manufacturer.
9. Unplug this unit when unused for long period of time or during lightening storms.

[CAUTIONS] ELECTRIC SHOCK HAZARD : The battery used in this device may present a risk of fire or chemical burn if mis-treated.

FCC STATEMENT

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

[Note] The manufacturer is not responsible for AzNY interference, for example RADIO or TV interference, caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

EU

This product is CE marked according to the provision of the R&TTE Directive (99/5/EC). **CE 0678**

Here by MOVON Corporation, declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.

Please note that this product uses radio frequency bands not harmonized within EU. Within the EU this product is intended to be used in Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, The Netherlands, Portugal, Spain, Sweden, United Kingdom and within EFTA in Iceland, Norway and Switzerland. Bluetooth is a trademark owned by the Bluetooth SIG, Inc.

WARRANTY

The condition of this warranty and our responsibilities under this warranty are as follows:

Supplier's warranty is non-transferable. And this warranty is limited to the original purchaser only.

- You must be able to prove the date of original purchase of the unit with a dated receipt.

- The warranty is not applicable if the product has been subject to physical abuse, improper installation, modification or repair by unauthorized third party.

- The responsibility of supplier's products shall be limited to the repair or replacement of the product at it's sole discretion.

- Specifically exempt from any warranty are limited-life consumable components subject to normal wear and tear such as batteries, decorates and other accessories.

- A supplier will not take any responsibility if the failure of the unit has resulted from accident, abuse, misuse or any unauthorized repair, modification or disassemble.

- Modification and repair of the unit should be done by authorized and qualified service personnel, center or returned to the manufacturer

- This warranty gives you specific legal rights and you may also have other rights which vary under local laws.

WEEE SYMBOL INFORMATION

Correct Disposal of This Product
(Waste Electrical & Electronic Equipment)

(Applicable in the European Union and other European countries with separate collection systems) This marking shown on the product or its literature, indicates that it should not be disposed with other household wastes at the end of its working life.

To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources.

Household users should contact either the retailer where they purchased this product or their local government office, for details of where and how they can take this item for environmentally safe recycling.

Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.

[IMPORTANT NOTE] To comply with RF exposure requirements, this device may not be co-located with any other transmitter or antenna.

- **Marcación por voz :** Pulse el botón multifunción durante unos 2 segundos.

Una vez que su teléfono móvil esté en modo marcación por voz, por favor, siga los pasos que le dicte su teléfono móvil.

Si desea cancelar la Marcación por voz, pulse brevemente el botón multifunción durante 2 segundos en el modo Marcación por voz

[Nota] Asegúrese de que el teléfono admite la función de marcación por voz.
Por favor, guarde la etiqueta de voz antes de usar esta función.

RESPONDER UNA LLAMADA

Pulse el botón multifunción brevemente para recibir una llamada.

RECHAZAR UNA LLAMADA ENTRANTE

Pulse y mantenga el botón multifunción durante unos 2 segundos.

FINALIZAR UNA LLAMADA

- Pulse el botón multifunción brevemente mientras está en línea.
- También puede finalizar una llamada de su teléfono móvil presionando el botón "FINALIZAR".

TRANSFERIR UNA LLAMADA

- Desde los auriculares al teléfono móvil: Pulse y mantenga el botón multifunción durante unos 2 segundos.
- Desde el teléfono móvil a los auriculares: Pulse y mantenga el botón multifunción durante unos 2 segundos.

SILENCIAR EL MICRÓFONO

- Pulse y mantenga el botón bajar volumen durante 2 segundos. Entonces se activará silenciar micrófono. Puede escuchar la melodía de indicación de estado cada 5 segundos en el modo Silenciar Micrófono.
- Puede activar el modo Silenciar Micrófono pulsando el botón bajar volumen durante 2 segundos.

LLAMADA EN ESPERA (LLAMADA DE 3 VÍAS)

Antes de usar la función de llamada de 3 vías, por favor, asegúrese de que su teléfono móvil admite el "perfil de manos libres". Y, por favor, compruebe con su operador de red si admite el servicio de llamada en espera y la llamada multiusuario.

1. Conecte a la llamada entrante y desconecte su llamada actual.
: Pulse y mantenga el botón bajar volumen durante 4 segundos.
2. Ponga su llamada actual en modo espera y reciba la llamada entrante.
: Pulse y mantenga el botón subir volumen durante 4 segundos.

[CONSEJO] Puede acceder al modo llamada en espera pulsando el botón "Enviar" de su móvil.

REESTABLECER LOS AURICULARES

Pulse y mantenga el botón multifunción y el botón subir volumen durante unos 4 segundos.

Entonces se reestablecerá toda la información del dispositivo y la lista de llamadas de sus auriculares.

SPECIFICATIONS

Model Name	R7
Bluetooth Core Spec	Bluetooth Specification 2.1+EDR
Profile	HSP, HFP1.5, A2DP, AVRCP
Carrier Frequency	2400 MHz to 2483.5 MHz
Modulation Method	GFSK, 1Mbps, 0.5BT Gaussian
Maximum Data Rate	Asynchronous : 2178.1 kbps / 177.1 kbps Synchronous : 1306.9 kbps / 1306.9 kbps
Bluetooth Class	Class 2
Hopping	1600 hops/sec, 1MHz Channel Space
Transmit Power	0 dBm
Coverage Range	10 Meters
Receiver Sensitivity	-82 dBm / 0.1 % BER
Continuous Talk Time	4 Hours
Music Time	4 Hours
Standby Time	170 Hours
Weight	10 g
Dimension	18.1(H) x 51.3(L) x 9.5(H) mm
Charging Voltage	DC 5.0 ~ 5.3 V

Charging Time	2 Hours
Operating Temperature	-10° to +50°C
Storage Temperature	-20° to +80°C
Battery	Lithium Polymer 3.7V 90mAh

SAFETY AND GENERAL INFORMATION

1. Please read this guidebook carefully and follow the instruction.
2. To avoid any damage or malfunction of the unit, do not drop it from high place.
3. Keep away unit from humidity, water and any other liquid. And if the unit is exposed by water, moisture and other liquid directly, then do not operate it normally to avoid any electrical shock, explosion and damage of the unit.
4. Do not place or keep the unit near the heat sources such as direct sun light, radiators, stoves or other apparatus which produce heat. It may cause explosion, degrade of performance and reduce battery life.
5. Do not modify, repair & disassemble unit at discretion. [especially battery: it may cause an explosion]
6. Do not place the heavy objects on the unit.
7. Use only supplied and approved charger.
8. Replacement or service must be done at a qualified service center or manufacturer.
9. Unplug this unit when unused for long period of time or during lightening storms.

[CAUTIONS] ELECTRIC SHOCK HAZARD : The battery used in this device may present a risk of fire or chemical burn if mis-treated.

FCC STATEMENT

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

[Note] The manufacturer is not responsible for AzNY interference, for example RADIO or TV interference, caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

EU

This product is CE marked according to the provision of the R&TTE Directive (99/5/EC). **CE 0678**

Here by MOVON Corporation, declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.

Please note that this product uses radio frequency bands not harmonized within EU. Within the EU this product is intended to be used in Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, The Netherlands, Portugal, Spain, Sweden, United Kingdom and within EFTA in Iceland, Norway and Switzerland. Bluetooth is a trademark owned by the Bluetooth SIG, Inc.

WARRANTY

The condition of this warranty and our responsibilities under this warranty are as follows:

Supplier's warranty is non-transferable. And this warranty is limited to the original purchaser only.

- You must be able to prove the date of original purchase of the unit with a dated receipt.

- The warranty is not applicable if the product has been subject to physical abuse, improper installation, modification or repair by unauthorized third party.
- The responsibility of supplier's products shall be limited to the repair or replacement of the product at it's sole discretion.
- Specifically exempt from any warranty are limited-life consumable components subject to normal wear and tear such as batteries, decorates and other accessories.
- A supplier will not take any responsibility if the failure of the unit has resulted from accident, abuse, misuse or any unauthorized repair, modification or disassemble.
- Modification and repair of the unit should be done by authorized and qualified service personnel, center or returned to the manufacturer
- This warranty gives you specific legal rights and you may also have other rights which vary under local laws.

WEEE SYMBOL INFORMATION

Correct Disposal of This Product
(Waste Electrical & Electronic Equipment)

(Applicable in the European Union and other European countries with separate collection systems) This marking shown on the product or its literature, indicates that it should not be disposed with other household wastes at the end of its working life.

To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources.

Household users should contact either the retailer where they purchased this product or their local government office, for details of where and how they can take this item for environmentally safe recycling.

Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.

[IMPORTANT NOTE] To comply with RF exposure requirements, this device may not be co-located with any other transmitter or antenna.
