Request for Confidentiality

Company name: Bright Star Engineering, Inc.
FCC ID: TE4WCB 33
FCC Part 15.247 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, Bright Star Engineering hereby requests confidentiality of the following documents for the subject application:

- Block Diagram
- Schematics
- Part lists
- Operational description
- Detailed product specifications

These documents contain detailed system and equipment description and related information about the product which Bright Star Engineering considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Bright Star Engineering considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Roy Nachowitz
