

Appendix D. Photographs of the Test Set-Up

Photo 1: Horizontal-Up_0.5cm	Photo 2: Horizontal-Down_0.5cm
 A photograph showing a black antenna mounted on a stand, viewed from a low angle looking up. A red laser line is visible on the white ceiling above.	 A photograph showing the same antenna and stand from a slightly different horizontal perspective, looking up at the ceiling where a red laser line is visible.
Photo 3: Vertical-Front_0.5cm	Photo 4: Vertical-Back_0.5cm
 A vertical photograph of the antenna's front panel, showing various ports and connectors. A red laser line is visible on the ceiling above.	 A vertical photograph of the antenna's back panel, showing a different set of ports. A red laser line is visible on the ceiling above.
Photo 5: Tip Side_0.5cm	
 A photograph showing the side profile of the antenna's tip, with a red laser line visible on the ceiling above.
