To Whom It May Concern:

We, Hunt Technologies, Inc. hereby declare that we intend to manufacture the AirPoint 41 Series (FCC ID: TEB-41ER-1). This product will be an exact duplicate of Itron's 41ER-1 ERT (FCC ID: EO941ER-1). There will be no changes to the circuit board or components. Therefore the original test results will continue to represent this product. There will be some cosmetic changes. These changes are listed in Attachment.

Please note that this application is for a duplicate of the original certification with a new FCC ID (not a replacement) and therefore the original FCC ID should remain valid for Itron, Inc.

Sincerely,

Hunt Technologies, Inc

Attachment – Product Changes

Below are the differences between AirPoint 41ER-1 by Hunt Technologies, Inc., the affected product by this application and 41ER-1 ERT (EO941ER-1) by Itron Inc.

- 1) Model name change: the model name will be changed from “41ER-1 ERT” to “AirPoint 41 Series”;
- 2) Logo change: the product will bear Hunt Technologies logo and name instead of Itron’s;
- 3) FCC ID change: this ID will be changed from “EO941ER-1” to “TEB-41ER-1”;
- 4) Industry Canada ID change: this ID will be changed from “CAN 8641021257” to “IC: 5931A-41ER-1”;
- 5) Label change: the label will change accordingly.

Except for the above minor changes, the product itself is identical to its original design, i.e. no circuit or component change.
