Gentlemen:

Hunt Technologies respectfully requests confidentiality of certain materials provided with the submission of the FOCUS AX, model #0746-0001 under FCC ID: TEB-HUNTSU746 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

08-0293 – Schematic Exhibit G.pdf
08-0293 – Block Diagram Exhibit H.pdf
08-0293 – Operational Statement Exhibit F.pdf
08-0293 – Exhibit B Internal Photo.pdf
08-0293 – Manual Exhibit D.pdf

Confidentiality of the Internal Photos is being requested because this is a non-consumer device which is not accessible by the general public and is only serviceable by the applicant or designated technicians. The Manual is technical and is not provided to the consumer because the consumer cannot service or install the device. Therefore confidentiality of the Manual is also requested.

The FOCUS AX, model #0746-0001 has been developed at considerable effort and expense by Hunt Technologies. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kirby Munroe', with a long horizontal flourish extending to the right.
