Date: February 16, 2015

Gentlemen:

Landis+Gyr Technology, Inc. respectfully requests confidentiality of certain materials provided with the submission of the “**FASY-0864**” under FCC ID: **TEB-HUNTSU864** in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to the Theory of Operation contained in this filing and included in the following file.

15-0043 – Theory of Operation.pdf

The “**FASY-0864**” has been developed at considerable effort and expense by Landis+Gyr Technology, Inc. This item is considered a Trade Secret and therefore public access to this proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Carl Jacobi

Title: Quality Engineer
