

**M/N: DMP3000**[www.acoustic-research.com](http://www.acoustic-research.com)

Complies with Canadian ICES-003 Class B.

U.S. Patent Nos. 4,631,603; 4,819,098; 4,907,093; 5,315,448; and 6,516,132.

This device complies with  
Part 15 of the FCC Rules.

FCC ID: TEG-DMP3000

**CE0678****IC: 4773C-DMP3000****INPUT:** 18.5 V   
3.5 AThis device complies with Part 15 of the  
FCC Rules. Operation is subject to the  
following two conditions: (1) this device  
may not cause harmful interference, and  
(2) this device must accept any interference  
received, including interference that may  
cause undesired operation.

Warranty void if opened.
