Subject: Change in FCC ID Authorization letter

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number **RI7UE910GL**, original grant date of **January 10, 2018**, for its radio module which carries the Telit Communications S.p.A. model number **UE910-GL**.

This letter will grant permission on a one-time basis to **Liapac Technology Inc.**, a company in Canada to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Communications S.p.A. understands that **Liapac Technology Inc.** must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the **Liapac Technology Inc.** product called **S911 Enforcer**, FCC identifier **TET-UE910GL** and Telit authorize FCC to use information on file to grant such Change of Identification for this device.

Telit Communications S.p.A. is supplying the **UE910-GL** to **Liapac Technology Inc.**, unmodified and equivalent to the originally certified unit.

The device is being supplied to the applicant unmodified and equivalent to the original approved unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Should there be any question, please feel free to contact us.

Your Sincerely,
