Requesting Class II permissive change

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for
FCC ID: **TET-UE910GL**, Original grant date: **March 22, 2023**

The major change filed under this application is :

1. The subject approved module is integrated in a new host (product: S911 Enforcer Model: EN105).
2. Evaluation has been done to ensure compliance of EMC and RF exposure.
3. Only enable 3G Band 2 and Band 5, the others WWAN bands are disabled by software.
4. The hardware design of this transmitter that may affect compliance is remained unchanged in this permissive change application.
5. The RF parameters of this transmitter that may affect compliance are remained unchanged in this permissive change application.

Sincerely,

(Signature)

Name: Diego Lai

A handwritten signature in black ink, appearing to read 'Diego Lai', written over the printed name.

Title: CEO
