Gentlemen:

MaxID respectfully requests confidentiality of certain materials provided with the submission of the iDL300 under FCC ID: TFT-IDL300 in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The following documents have been provided by a third party and require confidential treatment:

11-0217 – System Block Diagram – RFID – 3<sup>rd</sup> Party Confidential.pdf

The iDL300 has been developed at considerable effort and expense by MaxID. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,
