JUST CHARGE IT

Charging the earbuds is so easy you've probably figured it out by now, but just in case, you've got two options: you can charge it using your computer or a wall outlet. The Edge earbuds need about 2 hours for up to 5 hours of play time.

1. The cord that came with the earbuds – the one with the USB on one end and the Micro USB on the other – will work with your computer.
2. If you want to use the wall outlet, you'll need to pick up a power cord with a Micro USB the next time you're at the store, or use any USB AC adapter, including the one for your cell.

AC adaptor not included

CONTROL YOUR DESTINY... OR AT LEAST YOUR SPEAKER

1. Press for volume up/hold for 2s to skip track.
2. Multifunction Button (see Bluetooth section to turn on/connect)
3. Turn the Music down. (Press and hold for 2s to move to the previous track).
4. Microphone
5. Micro USB charging port

SHED SOME LIGHT

What it looks like	What it Means
Flashing Blue and Red	Pairing Mode
Slow Flashing Blue	Connected
Slow Flashing Red	Low Battery
Red	Charging
No LED	Fully charged

BLUETOOTH® CONNECTION – IT'S A SETUP

Like any amazing couple this one starts with a connection – one between your device and the earbuds' *Bluetooth*. Here's how it works:

1. Make sure the smartphone, tablet or computer you're using with the earbuds has *Bluetooth*.
2. Turn on the earbuds by pressing and holding POWER button for 2 seconds and look for the little blinking light on the back of the control box.
3. Do whatever your device needs you to do on its end to turn on *Bluetooth*.
4. Look for EDGE in your device's *Bluetooth* list or click YES.
5. Now hit PLAY on your earbuds and crank it up - or down if you're lame.

The device and the *Bluetooth* will find each other every time just as long as the earbuds are set to *Bluetooth* and your device's *Bluetooth* is, you know, on.

If you're connecting to a computer, you may have some extra steps on that end. You'll have to get that information from the computer company.

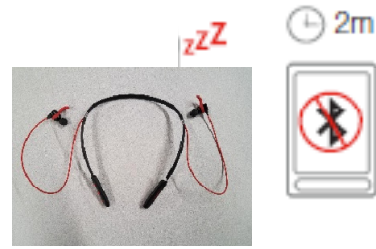

BLUETOOTH CONNECTION, CONTINUED

Depending on your device you may be prompted to enter a pairing code. If prompted, enter "0000" as the code.

Your earbuds will automatically enter pairing mode.

Note: If you turn on your Edge earbuds but haven't started the party yet, it will automatically power off after 2 minutes of unpaired inactivity.

LOOK MA, NO HANDS!

When friends call asking to join the party – and you know they will – answer the phone without disconnecting from your Edge earbuds. Yes, that's right. Your earbuds have hands-free calling too. How amazing is that? Here's how it works:

1. Make sure your phone and earbuds are connected through *Bluetooth*.
2. Answering and ending a call works the same way: simply click the multifunction button on your Edge.

3. If you'd rather not talk, hold down the multifunction button on your earbuds for 2 seconds to ignore the call.

THE COOLEST PART: The Edge earbuds know when a call is coming in and pauses the music before ringing. When you hang up, the music starts where it left off – and so does the party. If it's you making the call, just start dialing from your phone, and the Edge automatically does its hands-free calling thing. Isn't it refreshing to know your speaker totally gets you?

Situation	Short Press Multifunction Button	Long Press Multifunction Button
1 st Incoming call	Pick up call	Reject call
On call	End call	Move call from earbuds to device

COMING CLEAN

A soft dry towel is all you need to clean off your earbuds. Using water, harsh cleaners, or anything else only starts messing with the mechanics inside

1 YEAR LIMITED WARRANTY

FCC Warning:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

To obtain warranty service on your HMDX product, contact a Consumer Relations representative by telephone or email for assistance (you can find their contact info on page 1). Please make sure to have the model number of the product available.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment..

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

STUFF OUR LAWYERS MAKE US SAY

IMPORTANT SAFEGUARDS:

When using an electrical product, basic precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING

- **WARNING:** Listen responsibly. To avoid hearing damage, make sure the volume on your device is turned down before connecting earbuds. After placing earbuds in your ears, gradually turn up the volume until you reach a comfortable listening volume.
- Use this product only for its intended use as described in this manual. Do not use attachments not recommended by HMDX.
- HMDX is not liable for any damage caused to smartphones, iPod/MP3 players, or any other device.
- Do not place or store this product where it can fall or be dropped into a tub or sink.
- Do not place or drop into water or any other liquid.
- Not for use by children. THIS IS NOT A TOY.
- Never operate this product if it has a damaged cord, plug, cable, or housing.
- Keep away from heated surfaces.
- Only use on dry surfaces. Do not place on surface wet from water or cleaning solvents.
