READ ALL INSTRUCTIONS BEFORE USE AND SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE.

CCC Warning: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment does not emit and cannot radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that operation of this equipment will not cause particular interference. If this equipment does cause harmful interference, you may be required to take certain corrective actions. The user is encouraged to try to correct the interference by one or more of the following measures:

- Reconnect the equipment into an outlet on a circuit different from that which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
- Do not use the same power line for power and data.
- Do not use a power line surge protector where it can fall or be dropped into a tub or sink without shutting waterproof doors.
- Do not place or drop this water or any other liquid without shutting waterproof doors.
- Do not use by children. THIS IS NOT A TOY.
- Do not operate this device if it has a damaged cord, plug, cable, or housing.
- Do not use on heated surfaces.
- Only set up on dry surfaces. Do not place on surface wet from water or other liquids.

FCC RF Exposure Statement: This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be located or operated in conjunction with any other antenna or transmitter.

SEDC Canada: This device complies with Innovation, Science, and Economic Development Canada's licence-exempt RSS (standards). Operation is subject to the following two conditions: (1) This device may cause interference, and (2) the user must accept any interference including interference that may cause undesired operation of the device.
