

July 1, 2007

To:
Federal Communications Commission
7435 Oakland Mills Road
Colubia, MD

FCC ID: TG6RCS-300MDX1
FCC ID: TG6RCS-310MDB1

TIMCO Engineering, Inc.
849 NW State Road 45
Newberry, FL 32669

To Whom It May Concern:

This letter is to ascertain that the Remote Control Solutions,

Model RCS-300MDX1; 300MHz 10 Dip-switch radio transmitter for access control.
Model RCS-310MDB1; 310MHz 8 Dip-switch radio transmitter for access control.

has been the unit used for conducting FCC 15.231 compliance testing.

If you have any question or concerns, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Ben D. Scanlan", with a long horizontal stroke extending to the right.

Benjamen D. Scanlan
