### Request for Confidentiality

Company name: Orange Electronic Co., Ltd  
FCC ID: TH9AMF01  
FCC Part 15 Certification

To whom it may concern:

- (b) In accordance with 0.459 of CFR 47, Orange Electronic Co., Ltd hereby requests confidentiality of all Block Diagrams, Schematics, Operational Description, Internal photos(device is potted)<sup>1</sup> attachments for the subject application.
1. DUT is fully potted using a non-removable epoxy based material. Removal of potting material causes irreparable damage to internal circuitry.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this application

These documents contain detailed system and equipment description and related information about the product which Orange Electronic Co., Ltd considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Orange Electronic Co., Ltd considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
