Federal Communications Commission

Dear Sir:

Pursuant to Section 0.457(d) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying this Application as outlined below:

Internal photos (DUT is using an Ultrasonic Welding way to integrate the non-removable epoxy based material so that any removal of potting materials or opening the seals will destroy the product.)

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this application.
