**SUBJECT: Certification Application**  
**RE: CONFIDENTIALITY REQUEST FOR MC75**  
**FCC ID: THGGIZMONDO**

To Whom it may Concern,

It is requested the following information is to be held confidential under the FCC Rules Part 0.459:-

<b>Exhibit</b>	<b>Number of Files</b>	<b>Number of Pages</b>
Schematics	one	thirteen
Block Diagram	one	one
Parts List	one	eight

The above documents provide detailed information regarding the technical architecture of the device, in particular debug facility, Bluetooth, power supply, GSM, multimedia functionality and GPS, and therefore be withheld from public view.

These documents are company proprietary information and are only privileged to certain key company stakeholders and system developers. Any technical data deemed to be of interest to the public is made freely available on the Gizmondo website.

Should the aforementioned information be passed or get in the possession of competitors, this would harm and be detrimental to the company business strategy and financial plan.

Should you have any questions regarding the above, then please do not hesitate to contact me.

Yours Sincerely,

John Mack  
Test Programme Manager
