

Explanation to this filing

FCC ID: THO1017226

This Respireonics system consists of an 802.11b PCMCIA card build in a host system. Authorization has been given by Proxim to the Telefication (FCC TCB) to file this 802.11b PCMCIA for the grantee indicated with the above FCC ID. Former owner of the 802.11b PCMCIA, Agere Systems confirmed that this 802.11b PCMCIA card is owned by Proxim.

The part 15C test report for the PCMCIA card within the host system was additionally filed in this filing (mains and spurious).

Yours truly,

M. Koop
Telefication BV.
