request a class II permissive change on FCC ID: THO1116426, originally granted on 06/17/2015. The original grant is for a Limited Single Modular Approval for a radio module. This radio module is incorporated in our host equipment DreamStation Go containing FCC ID: THO1116426. With the integration of the said radio module into the identified host equipment, no changes were made to the radio module output power, modulation circuit, frequency determining circuitry, or by external adaptation circuitry that impacts the validity of the results of the original module's test reports.

A handwritten signature in blue ink, appearing to read "Roger Strane".
