To Whom It May Concern:

The two RF modules that are contained in this product (FCC ID: TIH-BSAP1800N), are already authorized under FCC ID: NKR-DNMA83. The original test results for these two modules (Wistron NeWeb Corp, DNMA83-modules) are still representative of the modules contained in this new product, the BSAP-1800(N).

Thank you for your consideration to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tom Melanson".

Tom Melanson
