RE: Comments of October 11, 2008  
APPLICATION: TJB-ATEQ-VT5X & IC: 6034A-ATEQVT5X for ATEQ Corporation

Dear Mr. Fabina:

Below are the comments that you have provided regarding the application for certification referenced above. Our responses to those comments are in ***bold italic***. Many responses refer you to additional exhibit(s) which has been uploaded to the application folder at the ATCB website.

Thank you for your attention. Please feel free to contact us for any additional information that you may require.

Regards,

*Steven D. Koster*  
EMC Operations Manager

WLL Project: 10548/10549

---

1) Please provide an Annex B of RSS-102 in accordance with Section 5.1(e) of RSP-100. Note that only Annex B (declaration of compliance) is needed per the second sentence of Section 2.5 of RSS-102 because this transmitter meets the exclusions in Sections 2.5.1 or 2.5.2 of RSS-102.

***R. Please see "VT5X Cover Letter - IC RSS102". A new Annex B form has also been uploaded.***

2) Please provide a letter acknowledging the IC listing requirements of this device. This letter is commonly called an REL letter and a draft letter may be found on the ATCB Website with the IC application form.

***R. Please see “VT5X Cover Letter - IC Acknowl.PDF” (ignore the JPEG with the same file name).***

3) The operational description exhibit explains the operation of model number VT60 but this application is for a model number VT55. Please add a cover letter to the operational description exhibit that explains the differences between these two model numbers or provide an amended operational description for the correct model number.

***R. An addendum to the operational description has been uploaded.***

4) The IC label has the letters “ID” immediately before the colon. Section 5.2 of RSS-Gen states the IC label shall only have the letters “IC” before the colon. Please provide a new IC label that reads “IC: 6034A-ATEQVT5X” as required by this section of RSS-Gen.

***R. A new label has been uploaded.***

5) For Your Information – Four cover letter exhibits were submitted as jpg documents. IC only accepts pdf documents for their Website. I have converted the jpg documents to pdf documents this time. Please make sure that all documents for IC are in the pdf format in the future.

***R. Thank you. Acknowledged.***
