Re: Request for Confidentiality

Gentlemen:

In reference to the application under FCC ID: TJZVTCUEV, and pursuant to Sections 0.457(d)(l)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of the accompanying information as outlined below:

- Schematics
- Block Diagrams
- Theory of Operation

These documents contain detailed system and equipment description and related information about the product that MobileAria considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, MobileAria considers that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bert Q. Vlaanderen", with a long horizontal flourish extending to the right.
