Cover Letter for Re-use of Test Data

To Whom It May Concern:

The initial application has been granted according to 47CFR Part 15 Subpart C for FCC ID: TK4WLE1216V520; Granted on 11/18/2019.

The difference compared with FCC ID: TK4WLE1216V520 is adding a platform (Brand: Check Point/Model: V-81WL).

The changes described above do not affect the radio characteristics (802.11 a/n/ac) of the equipment. Consequently, radio test data retrieved can be re-used for the FCC ID: TK4WLE1216V520 equipment.

However, based on our knowledge and our engineering judgment of the device design, the changes made, the format and amount of spot-check test data are decided as below,

1. Sample amount: 1
2. Spot-check rule part, frequency band and test items

Rule Part	Frequency Band	Test Items
FCC Part 15E	5180-5240 5745-5825	1. radiated emission 2. Conducted power

We, **Compex Systems Pte. Ltd.** is taking full responsibility to re-use these test data for its C2PC application FCC ID: TK4WLE1216V520.

If you have any questions, feel free to contact us. Thank you.

Sincerely yours,
