Authorization of Use of KBC Agency Test Reports

To whom it may concern,

KBC Networks authorizes Compex Systems use of all test reports associated with the 4.9GHz certification of the WESII-BX-XX system for submittal of their own modular FCC ID for radio module WLM200N5-23-4.9.

Regards,

A handwritten signature in black ink, appearing to read 'D. Smith', is placed on a light yellow rectangular background.

Dwayne Smith
