FCC ID#: TKD-5630002**

## Photo Five – Internal PCB Flip Side w/FCC ID Label

# Siemens Building Technologies, Inc.

Wireless Room Temperature Sensor  
FCC ID#: TKD-5630002

## Photo Six – Internal FCC ID Label Close-Up

Note: FCC label is silk screened on PCB for following reason: back wallplate is permanently attached to the wall thermostat. PCB is removable and replaceable for service. Outcome: FCC ID # remains with the product.
