

April 3, 2006

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Ref: Siemens Building Technologies Inc.'s application for Change in FCC ID for their
FCC ID: TKD550660-001

To Whom It May Concern:

Enclosed please find an application for certification for the above referenced FCC ID.

This product is electronically identical to the previously applied for and granted FCC D: MQX550660-001. The original grant date was 10/30/2001. The original test results continue to be representative of and applicable to the equipment bearing the new FCC ID.

This product was originally approved under the grantee name of Adcon Telemetry Inc. Siemens Building Technologies, Inc. has purchased some of Adcon's assets and inventory – this product being part of the purchase. In doing this, Siemens Building Technologies Inc. wishes to have the grant of certification issued under their name.

Should you have any questions or require any further information, please advise.

Regards,

A handwritten signature in blue ink, reading 'Sharon A. Hoffman'. The signature is written in a cursive, flowing style.
