

**Buffalo Lite**

Date: August 19, 2005

To: Officer in-charge
Bay Area Compliance Lab.

Subject: Change of Identification Authorization
FCC ID: QNBSP1

Dear Sir/Madam;

This letter grants authorization for representatives of Bio Lighting to apply FCC transfer and change in identification as specified under part 18 of the FCC rules.

This authorization applies to Buffalo Lite models 1025, FCC ID: QNBSP1, granted on September 23, 2002.

The new FCC ID for Bio Lighting is *TLEBZ1025*

The equipment is electrically identical the only difference is the labels on the device. The original test results shall continue to be representative of and applicable to the changed equipment.

Should there be any questions, please feel free to contact us.

Sincerely,

Sue Ham / V.P.
