

- 1.) The Grantee code information associated with TLS shows Chenghai Qingyi Toys Factory with a contact window of Qing Du. The Form 731 shows Chenghai Qingyi Toys Factory. The Agent Authorization letter and the Confidentiality Request letter shows a letterhead of SHANTOU CITY CHENGHAI AREA QINGYI PLASTIC TOYS., CO. LTD but signed by DUJING/Operation Manager QINGYI PLASTIC TOYS FACTORY. I am unable to determine who is who and who works where. Please rescue me and straighten out all the letters associated with this filing. I must have contact information traceable to the Grantee contact information listed with FCC. If this contact window has changed, the FCC website must be updated. Please review.

Answer: The .factory's name is updated, please find the attached file.
