RE: Chenghai Qingyi Toys Factory

FCC ID: TLS13825855321

I have a few comments on this Application. Depending on your responses, kindly understand there may be additional comments.

- 1.) The Grantee code information associated with TLS shows Chenghai Qingyi Toys Factory with a contact window of Qing Du. The Agent Authorization letter and the Confidentiality Request letter shows a letterhead of SHANTOU CITY CHENGHAI AREA QINGYI PLASTIC TOYS., CO. LTD but signed by DUJING/Operation Manager QINGYI PLASTIC TOYS FACTORY. I am unable to determine who is who and who works where. Please rescue me and straighten out all the letters associated with this filing. I must have contact information traceable to the Grantee contact information listed with FCC. If this contact window has changed, the FCC website must be updated. Please review.
- 2.) The Label does not match the Form 731 associated with file number ATCB0004549.

William H. Graff
President and Director of Engineering

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
