Subject: Confirmation of Design, FCC ID #: TMB-EM000018

This letter is to confirm the fact that, since testing for the 2.4GHz 100mw RF radio module 2.4GHz was started in mid-2005, no design, component or manufacturing changes have been made. The current unit for production is the same as the unit initially tested.

Regards,

A handwritten signature in black ink, appearing to read "R. Fischette", written over a faint circular stamp or watermark.

Robert Fischette
Director, Wireless Products
Trilliant Networks
