

Letter of Permissive Change

Date : February 20, 2023

To :

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD

Subject : Permissive Change for FCC ID: TQ8-VT253G9AN

To whom it may concern:

This is to request Permissive Change for FCC ID: TQ8-VT253G9AN, Originally Granted on 05/22/2020.

We request to add the variant model according to the digital part change. The digital parts that are changed are the keyboard, CAN, and MIC, so we would like to apply for a permissive change. For detailed differences between products, please refer to the PED documentation.
