Dear Sir or Madam:

With regard to our Submission FCC ID: TSEFAU200RA granted 2007-01-03 and the shortly thereafter issued Correspondence by the FCC on 2007-01-11 concerning the voluntary nature of the submission.

Our response to this correspondence is as follows:

We have been notified and understand in full that pursuant to FCC rule Part 25 section 25.129 that as a device that does not support an ancillary terrestrial component (ATC), Globalstar FAU 200 does not require certification under 25.149(c). Globalstar has been notified by Bay Area Compliance Laboratories Corp. that this device does not require certification, but that Globalstar is requesting that this device receive certification since we are contractually obligated to obtain certification by our customers.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kelly Rose".

Kelly Rose,
Director, Contracts
