Dear Sir or Madam:

We have been notified and understand in full that pursuant to FCC rule Part 25 section 25.129, the Globalstar Modular Four-Channel Modem MCM-4M device does not support an ancillary terrestrial component (ATC), thus the device does not require certification under 25.149(c).

Globalstar has been notified by Bay Area Compliance Laboratories Corp. that this device does not require certification, but Globalstar is requesting that this device receive certification since we are contractually obligated to obtain certification by our customers.

Sincerely,

A handwritten signature in black ink, appearing to read "Kelly Rose".
