Subject: Certification Application  
FCC ID: TSK-RPM3-914-17

It is requested that the following information is to be held confidential on behalf of Radiometrix Limited.

FCC Rules Part 0.459 refers.

<i>Exhibit</i>	<i>No. of files</i>	<i>No. of pages/file</i>
<i>BiM3A_schematics.pdf</i>	<i>1</i>	<i>1</i>
<i>bim3a_bom.zip</i>	<i>1</i>	<i>3</i>

Schematics and Parts List (BoM) contain commercially sensitive information. We have developed and employed certain circuit and PCB layout techniques in the design of this unit which we regard as our own Intellectual Property (IP) and which must therefore remain confidential and not subject to public access.

Specifically, we will not divulge any information about the design which would allow a competitor to reproduce it or reverse-engineer it more easily thus giving them an unwarranted competitive advantage. Such information specifically to include the schematic and parts list, and any information which is not already contained in, or can be inferred from, our publicly-available datasheet or even using datasheets, application notes, reference designs, etc of the RF IC manufacturer.

Yours sincerely

Sabananthan Paramananthan
