

# External Photographs of Widex Model ERE

Side view	
Opposite side	
Front view	

Back view	 A photograph showing the back of a brown, handheld electronic device. The device is oriented vertically. On the back, there is a blue rectangular button. Below the button, there is a black rectangular label with white text that reads "ERE 440" and "001164". To the left of the button, there is a CE mark, the number "0459", and the year "2018". At the bottom of the device, there is a small circular opening.
Top view	 A photograph showing the top of the brown handheld device. The device is oriented vertically. It has a rounded top and a slightly recessed area in the center. At the bottom, there is a small circular opening.
Bottom view	 A photograph showing the bottom of the brown handheld device. The device is oriented vertically. The circular opening is clearly visible in the center. There is a blue rectangular mark on the side of the device, near the bottom.
