Subject: Request Dismissal of Iqua Ltd., FCC ID: TUF-BHS-802

We, Bay Area Compliance Laboratories Corp, would like to request dismissal of FCC ID: **TUF-BHS-802** on behalf of our customer Headline Systems Inc. The reason for this dismissal is that there was an error in the FCC ID that was propagated throughout all of their documentation, exhibits, report and subsequent grant. This project will be resubmitted under a new FCC ID: **TUFBHS-802** following this dismissal as the only change being made is subtraction of the “-“ which is a marking decision and does not affect compliance characteristics of the device.

If there are any questions or concerns in this matter please feel free to contact us, thank you.
