

Clarification Letter

Date June 12, 2023

Applicant: LEIDOS SECURITY DETECTION & AUTOMATION, INC

FCC ID: TUZ-PV3-WB

This letter is in clarifying the similarities and differences among the Pro:Vision 3 system family members. Leidos declared that the Pro:Vision 3 Model : “1000-10005-PV” are identical electrically or any differences between them do not affect their EMC characteristics, and therefore meets the level of testing equivalent to the tested Model : Pro:Vision 3 Model : “1000-10006-PV” and “Safeview HD, PV2 to PV3 Upgrade Kit”

Sincerely,

A handwritten signature in blue ink, appearing to read "Uresh Patel".
