RE: BTE Certification Application

Please be advised that the following exhibits are to be held confidential on behalf of Radiotronix Inc. Additionally, these documents are not to be shared with BTE Technologies.

- Schematics for Wi.232DTS module
- Block Diagrams of RF Circuitry
- Functional Block Diagrams

These documents contain technical information that Radiotronix Inc. deems to be trade secrets and proprietary. If made public, the information might be used to our disadvantage in the market place.

Thank you for your attention to this matter.

Tom Marks
Vice President of Engineering
Radiotronix Inc.
