Re: Class 2 Permissive Change

FCC ID: TV7LDF2ND
FCC Rules: digital Transmission System (DTS) approval and Part 15.247

Gentlemen

Please review the information submitted for this Class II Permissive Change (C2PC) equipment authorization application. This equipment has been granted under FCC ID: TV7LDF2ND, issued 05/14/2018. The C2PC addresses use of the RBLDF-2nD with a gain antenna as presented in the C2PC report, 24dBi Dish Winegard model: DS2076. Compliance with 47 CFR paragraph 15.203 are met. The design has no option to alter the authorized antenna. No changes to hardware are required or implemented. The equipment remains electrically identical as original equipment and information on record continues to apply. The change from the original application specifically addresses operation with the use of the parabolic dish antenna. The Form 731 and application have been electronically submitted and any attachments will be up loaded to your web site for use in obtaining grant of certification. Should you require any further information, please contact the undersigned. Thank you for your consideration in this matter.

Sincerely,
