CFR Rules: 47FR 15.407(c) *Automatic Discontinuance of Transmission*

**Re: Automatic Discontinuance of Transmission statement**

Gentlemen:

As required in 47FR 15.407(c) we declare that MiniPCIe Card R11e-5HnD with FCC ID: TV7R11E5HM fully comply with with 47FR 15.407(c) requirements.

*47FR 15.407(c)*

*(c) The device shall automatically discontinue transmission in case of either absence of information to transmit or operational failure. These provisions are not intended to preclude the transmission of control or signalling information or the use of repetitive codes used by certain digital technologies to complete frame or burst intervals. Applicants shall include in their application for equipment authorization a description of how this requirement is met.*

Sincerely
