Timco Engineering, Inc  
TCB Application Form 731

### **Correction Letter for Application for FCC Certification Part 15 Class B, Job # : 956AU12**

Dear Sir or Madam:

We have found a minor spelling mistake in the main report of the current application for Magellan Technologies Limited, FDD ID: TVN-MARS-24AT.

Page 5 of 19, section 2.2, fourth paragraph, the wording was: "Power is provided from an external 2VDC power supply ". It should read: "Power is provided from an external 12VDC power supply ".

I have amended the report and attached. Please replace the previous version with the corrected one.

Thank you for your help.

Best regards,

*Ch. Kai*
