## Declaration on Electrically Identical RF Portions

TO WHOM IT MAY CONCERN

We, Gigaset Communications GmbH, declare on our sole responsibility that the new model

**Gigaset S79H** with FCC ID: **TVU-S79H** and IC: **8023-S79H**

is identical in radio hardware and the relevant software to the certified model

**Gigaset S67H** under FCC ID: **TVU-S67H** and IC: **8023A-S67H**  
with Testreport No.: **1-1079-01-06/09-PP**

The only differences between the new model and the original model are:

- *The model Gigaset S79H has an USB interface*
- *The model Gigaset S79H has a new antenna*
- *Labeling and Packaging*

These two versions are manufactured by us.

These two versions use the same RF transceiver, RF power amp, RF circuitry and RF layout and therefore are identical with reference to the requirements of: FCC Part 15, subpart D and Industry Canada RSS-213, Issue 2.

Therefore all test reports remain applicable.

If you have any questions, please feel free to contact us at the address shown below

Sincerely,

Gigaset Communications GmbH  
Frankenstrasse 2  
46395 Bocholt
