RE: Shenzhen Aee Technology Co., Ltd.

FCC ID: TW4BT601

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) Recent interpretations from the FCC require that the confidentiality letter be signed by the contact shown on the FCC site (Tom Lee), or the contacts shown as the technical or non-technical contacts on the 731 form. Please adjust as necessary.
- 2) The FCC has stated that devices smaller than 8x10 cm may place the FCC 2 part statement (15.19(a)(3)) in the manual. However the base of this device appears larger than 8x10 cm and also to have plenty of room for labeling and should therefore incorporate the 15.19(a)(3) statement. Please correct.
- 3) Schematics of the TX circuitry portion of the device have not been provided. Please provide.
