Office of Engineering and Technology**Inquiry:**

---Reply from Customer on 03/01/2010---

Has there been any comments from NTIA regarding this KDB? We are just about ready to finalize testing and submit to a TCB. Thanks.

Response:

The FCC approves this DFS alternative streaming technique based on the previous NTIA approvals for KDB 536826 and KDB 654745. Please include the attached file in the application and also include this approval KDB as an exhibit to show that it has been approved.
