 FCC ID: TX2-RTL8191SE-L

To whom it may concern,

**Permanent confidentiality request**

Pursuant to the provisions of 47 CFR Section 0.457(d) and 0.459, and Section 552(b)(4) of the Freedom of Information Act., Realtek Semiconductor Corp. is requesting the Commission to withhold the following exhibits as confidential documents from public disclosure indefinitely:

The public disclosure of above documents might be harmful to our companies and would give competitors an unfair advantage in the market.

**180 days short term confidentiality request**

Furthermore, pursuant to Public Notice DA 04-1705 in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, Realtek Semiconductor Corp. and Lenovo (Japan) Ltd. request the following exhibits be withheld from public viewing for a short term limited time of 180 days from the date of the Grant of Equipment Authorization, due to the sensitive business information. The subjected exhibits are :

<u>File name</u>	<u>exhibit type</u>

Internal photo	Internal photo

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.
