Declaration Letter for Client Devices

We, **Realtek Semiconductor Corp.**, attest that this device under **FCC ID: TX2-RTL8852BE** complies with device protocol requirements and operational restrictions for Client Devices.

- a) This device will only associate and connect with an indoor access point or subordinate device and never directly connects to other client devices.
- b) Client devices must be under control of an U-NII-4, Indoor access point or subordinate device..
- c) Clients shall passively scan to associate with access point or subordinate.
- d) Clients are permitted to initiate a brief probe message requesting to join and associated with a specific Access Point or Subordinate.
- e) Clients cannot have a direct connection to the internet to source the internet to other clients, access points, subordinates or clients from a wired or direct connection.
- f) We, the grantee, will document the physical restrictions associated with the equipment categories for host products (label and statement) as conditions-of-use through the host manufacture's integration instructions.
- g) We acknowledge this device is subject to and in full compliance with the device restrictions listed below. All users are notified of these restrictions through the user manual.
 - A statement in a conspicuous location on the device and the user's manual: "Section 15.19 Statement (if not on the device)"

If you should have any questions regarding this declaration, please do not hesitate to contact us, thank you!

Sincerely yours,

Dana Liaw / Project Manager
