

FCC/USCG Submission - Internal Photograph

Proposed FCC ID: TXJMT403-G

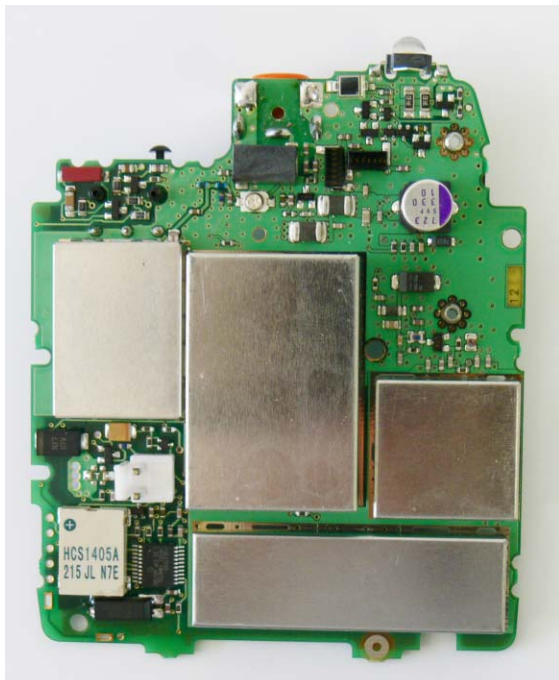

Model: MT403

Configuration Options: MT403, MT403G, MT403FF, MT403FG

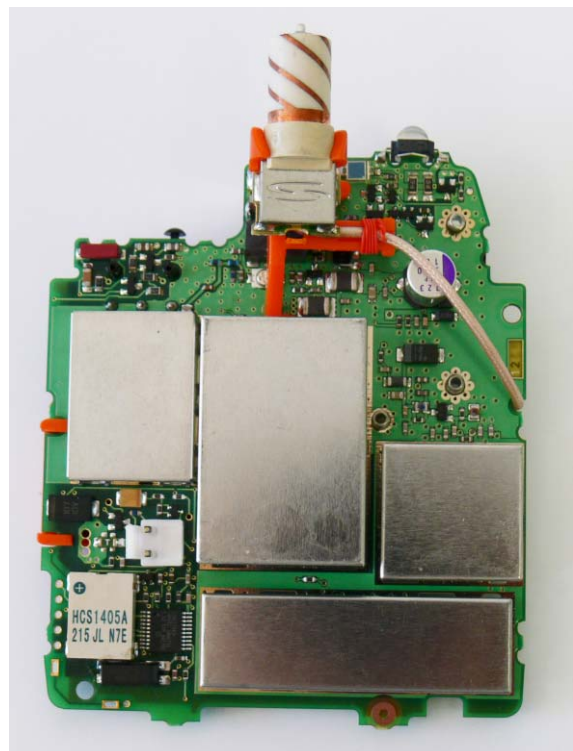

| Configuration | GPS | Auto-release |
|---------------|-----|--------------|
| MT403 | | |
| MT403G | ✓ | |
| MT403FF | | ✓ |
| MT403FG | ✓ | ✓ |

Notes:

1. Models inclusive of GPS capability require fitment of optional GPS Application Module (Picture 3) and this extended functionality enabled within firmware.
2. Float-free models are built on the respective base unit but provided with auto-release housing in place of manual release bracket.
