Differences Declaration

June 28, 2017

To whom it may concern,

LogicMark LLC hereby declares:

The product models **30711B** and **50711**, the difference are:

1. Appearance is different with unit dimensions and color. Different shape and color for the Emergency Button and speaker grill.
2. 30711B has a charging cradle to charge the battery, while 50711 uses a Mini USB socket and USB cable to charge the battery.
3. For 30711B, 3 indicator lights are designed on left, while designed in the middle for 50711.

Other than the above 3 items, they are the same.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan Larson".
