

Your Nabaztag comes alive

QUICK START INSTRUCTIONS

Plug-in your Nabaztag then go to www.nabaztag.com and register him.

You will be asked for the serial number: this is printed underneath Nabaztag.

Important: Until you register him on the website, Nabaztag remains lifeless, i.e. unable to receive any information or messages from your friends.

Frequently Asked Questions...

- >1 Where should I put it?
Set him up wherever you like, at work or in your home, on a coffee table or a shelf... somewhere where you can always keep an eye on him. Nabaztag is designed to operate indoors only, from 0°C to +40°C, and must be kept away from water.
- >2 How do you switch it off?
Your Nabaztag has no on/off switch: he is designed to operate 24/7. Please also note that Nabaztag will emit a little heat during normal operation. If you really want to stop Nabaztag, simply unplug him.
- >3 Do the ears come off?
Yes. Nabaztag's ears were specifically designed to be changed and customised, but do make sure they can move freely.
- >4 What if it doesn't work?
Go to www.nabaztag.com/help: you will find everything you need to get started and solve any problems. And if it's a really tough one, you'll find our tech support's full contact details, too.
- >5 Can I fix my Nabaztag myself?
No. Do not attempt to open or disassemble your Nabaztag. Doing so would void the warranty. There are no user-serviceable parts inside.

Violet, as defined below, warrants this Violet-branded hardware product against defects in materials and workmanship under normal use for a period of ONE (1) YEAR from the date of retail purchase by the original end-user purchaser ("Warranty Period"). If a hardware defect arises and a valid claim is received within the Warranty Period, at its option, Violet will either (1) repair the hardware defect at no charge, using new or refurbished replacement parts, or (2) exchange the product with a product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original product, or (3) refund the purchase price of the product. Parts provided by Violet in fulfillment of its warranty obligation must be used in products for which warranty service is claimed. When a refund is given, the product for which the refund is provided must be returned to Violet and becomes Violet's property.
