

Description of Permissive Change

This is prepared for FCC class II permissive change. The differences compared with original report are listing as below:

1. The device previously granted under rule parts of 15.247 and is now applying for approval under 15.407(b)(4)(ii) for devices with no changes to hardware or output power.
2. Updating U-NII filing to under new rule.

Please refer to test repots for more details about the test items.
